ABOUT US

A PLACE OF HONOR, EDUCATION, AND INSPIRATION

The Buffalo Naval and Military Park takes you inside history with incredible exhibits and displays including actual historic documents, uniforms, military gear, photographs and so much more. Take a self-guided tour of the ships or schedule a military docent for larger groups.

USSTHE SULLIVANS is a National Historic Landmark - named after the five brothers who lost their lives in the Battle of the Solomon Islands.

The **USS CROAKER** submarine is listed in the National Registry of Historic Places. It was sent to the Pacific theatre in World War II to fight against the Japanese Navy.

The **USS LITTLE ROCK** is the only guided missile cruiser on display in the U.S. Commissioned in 1945, it patrolled the Mediterranean and North Atlantic Seas.

Looking for a unique place to hold an event or party? We've hosted business luncheons in the Admiral's Quarters to entire weddings on the Fantail of the USS Little Rock.

The Naval Park also offers an unforgettable overnight experience for Boy Scouts, Girl Scouts, and other youth groups. Fun and educational overnight programs are available to host up to 250 people.
