We would like to limit groups to no more than 10 participants on any given day. Please list a contact person so as to not get confused with information regarding dates, times and tasks to be completed.

Tasks we perform are quite numerous and include such things as planting, weeding, mulching, trimming. We also do a certain amount of clean up and raking.

The Volunteer Group meets at the Naval & Military Park every Wednesday and Saturday from 9 a.m. to 12 noon beginning in April through November (depending on weather). On occasion we may run a little longer on either day depending on what needs to be done.
